## IN THIS ISSUE– Midyear 2023 Northern Hemisphere APEX Ratings

- Galileo (6.06), Dubawi (5.31), and Frankel (4.76) remain the top three North American/European sires by 2017-2023 (July 9) A Runner (top 2% earners) Index. Gun Runner (4.55, 1st 4yo's) is the top North American sire. They are also the top four sires by ABC Runner (top 8% earners) Index though Gun Runner is #3 and Frankel #4 by that metric.
- Galileo (196) is the leading sire of A Runners over the last 6 ½ seasons, with Dubawi (172) second and four-time (and counting) Champion NA Sire Into Mischief (150) and Frankel (133) next. Into Mischief has 2,607 year-starters (over 400 a season), nearly 1000 more than Galileo (1616) and Dubawi (1620), and Into Mischief (482) is the runaway leader by ABC Runners, over Galileo and Dubawi (362 each). Frankel (298) is #4 by number of ABC Runners.
- Zarak (4.87) has the highest A Runner Index among 80 F2019 NA/EU sires, though his 178 year-starters are short of the 200 needed to qualify him for the all-ages Top 50 lists. Gun Runner (4.55), Arrogate (3.20), and Caravaggio (2.44) all do qualify with 200+ year-starters. Gun Runner (31) has the highest number of A Runners, well clear of the cluster of Zarak (17), Arrogate (16), Caravaggio and Practical Joke (15 each), and Churchill (14). Gun Runner (73) is also the leading sire of ABC Runners, ahead of Practical Joke (63).
- The top seven of 66 NA/EU F2020 sires by A Runner Index all now stand in Kentucky: small-crop Darby Dan sire Bee Jersey (3.33) has the highest index but from only 30 year-starters, followed by Girvin (3.30), Justify (3.24), Good Magic (3.02), City Of Light (2.58), Oscar Performance (2.47), and Bolt D'Oro (2.45). European sires Sioux Nation (2.38), Saxon Warrior (2.30) and Havana Grey (2.17) also have over 2.00 A indexes, along with Army Mule and Funtastic (both 2.27). By ABC Index the top three are Oscar Performance (2,31), Army Mule (2.08), and City Of Light (2.06). Justify (11) is the leading F2020 sire by number of A Runners, ahead of Good Magic and Bolt D'Oro (9 each). 'Bolt' (27) is the leading sire by ABC Runners, ahead of Havana Grey (25), Justify (24), Army Mule (22), and Good Magic (19).
- In 2023 Into Mischief (22) narrowly leads Frankel (21) by number of A Runners this year. They are followed by Uncle Mo and Kingman (16 each), Gun Runner (13), Dubawi and Galileo (12 each), Curlin (11), and Lope De Vega (10). But Into Mischief (66) is the wide-margin leader by 2023 ABC Runners, ahead of Frankel (47), Lope De Vega (43), Uncle Mo (42), Kingman (36), Dark Angel (35), Gun Runner (33), Dubawi (31), and Galileo (30).

## SECTION 1: APEX MID-YEAR 2023

### EU SIRES GALILEO, DUBAWI, FRANKEL TOP MIDYEAR 2023 NAEU APEX SIRES

#### F2019 Gun Runner The Top North American Sires

The APEX (Annual Progeny Earnings index) A Runner Index measures a sire's top 2% earners over the previous seven years of racing (or 6 ½, when we do midyear or mid-season calculations, as now), so that's the midpoint of the 2023 Northern Hemisphere racing season, covering racing from the beginning of 2017 through July 9, 2023, when TJICIS (The Jockey Club Information Systems) ran the figures for us ([click here](#) to see an explanation of the APEX sire rating method from the February, 2023 Thoroughbred Market Report). The number of sires qualifying for APEX ratings continues to edge downward. At one point not so many years ago over 1,000 Northern Hemisphere sires qualified for APEX ratings. At the end of 2022 there were 699 sires who qualified; from our July 9 run there are 682 qualifying sires. The number in North America and Europe was 586, now 576; in Japan, there were 113 qualifying sires at the end of 2022, now 106. These drops are by just a few percentage points, but it's the same direction of travel we've been seeing, really since the Bank Crash of 2008-09 and even well before.

*Galileo, leading sire by A Runner Index  
photo courtesy Coolmore Stud*

In the nine years 2014-2022 **Galileo** (6.06, meaning 12.12% of his runners become A Runners) has been the leading sire by A Runner Index six times and was second in the other three years (to Uncle Mo in 2019, the year he had his first 4yo's) and to his son Frankel twice. **Dubawi** (5.31) has never topped the list but he's always in the top three, and **Frankel** (4.76) is third. **Gun Runner** (4.55), now with his first 4yo's, ranks fourth, displacing **War Front** (3.31, now #8) as the top North American sire. **Curlin** (3.53), now #6, has also moved ahead of War Front. Ranked #5 is the French sire **Galiway** (3.92), who stands at Haras de Colleville, which is the team who brought us Kendargent; Galiway himself was only a Listed winner for the Wertheimers but you wouldn't

believe that from the numbers he's racking up at stud. He has only nine ABC Runners this year, but seven of them are A Runners. **Sea The Stars** (3.41) ranks #7, with **Arrogate** and **Adlerflug** tied for ninth with identical 3.20 A Runner indexes. **Tapit** (3.13), **New Bay** (3.12), and Tapit's best son so far, **Constitution** (3.11) also score above 3.00, and the top twenty with 200+ year-starters is rounded out by seven more sires with A Runner indexes of 2.85+: **Not This Time** (2.99), **Medaglia D'Oro** (2.98), **Uncle Mo** (2.96), **Kingman** (2.96), **Wootton Bassett** (2.90), **Into Mischief** (2.88 though with 2,607 year-starters, nearly 1,000 more than Galileo or Dubawi), and **Pivotal** (2.85).

*Dubawi, leading sire by ABC Runner Index  
Photo courtesy Darley Stallions*

Galileo (2.80, meaning 22.40% of his runners) and Dubawi (2.79%) are also one-two by ABC Runner Index and by number of A Runners (196 and 172 respectively), though Into Mischief, third by number of A Runners (150) tops them both, and by a wide margin, by number of ABC Runners: Into Mischief has 482 ABC Runners in the last 6 ½ seasons, while Galileo and Dubawi have exactly 362 each. The secret to Into Mischief's success is his 132 B Runners and 200 C Runners besides his 150 A Runners; he just has so many useful horses that they have helped carry him to four consecutive sire championships, going on five.

To return to the A Runner Index, it's also very instructive to look at the numbers for the younger crops of sires. We require 200+ year-starters (a horse is counted as one year-starter each year it races) to be eligible for our overall Top 50 lists, and no F2020 sires with their first 3yo's in 2023 had that many by July 9, so we consider them separately, and also a few F2019 sires (first 4yo's) don't yet have enough runners to make those lists; one example is **Zarak**, with 178 year-starters and a 4.78 A Runner Index.

Five sires with their first foals 2016 rank among the top 50 with 200+ year-starters by A Runner Index, headed by Kingman (2.96) but also including **Australia** (2.21); New York's top sire, **Central Banker** (2.14); **No Nay Never** (2.07); and **Sea The Moon** (2.04). There are six F2017 sires among the top 50, including the aforementioned Galiway (3.92); Constitution (3.11); **Night Of Thunder** (2.56); **American Pharoah** (2.16); **Competitive Edge** (1.96, exported from Ashford to Texas); and **Karakontie** (1.95). The six F2018 sires are headed by New Bay (3.12) and Not This Time (2.99) and also include: **Laoban** (2.44); **Mehmas** (2.00); **Nyquist** (1.99); and **Kodi Bear** (1.93), while three F2019 sires make the list: Gun Runner (4.55), Arrogate (3.20), and **Caravaggio** (2.44).

*Kingman, leading F2016 sire  
photo courtesy Juddmonte*

F2020 sires with their first 3yo's are now rated for the first time and two small-crop sires are among the 12 F2020 sires with initial A Runner indexes above 2.00: Darby Dan's **Bee Jersey** (3.33), who has two A Runners (the 3yo fillies Jersey Pearl and Topsy) from his first 30 year-starters and thus has the top A Runner Index among all NAEU F2020 sires regardless of their number of runners; and Three Chimneys' **Funtastic** (2.27), who is 1-for-22 (the SW 3yo colt Funtastic Again). **Girvin** (3.30), who transferred from Florida's Ocala Stud to Airdrie this year, is #2 by A Runner Index, ahead of **Justify** (3.24), **Good Magic** (3.02), **City Of Light** (2.58), **Oscar Performance** (2.47), and **Bolt D'Oro** (2.45) – the top seven all North American sires, and **Army Mule** (2.27) makes it nine NA sires out of the top 12. The Europeans are **Sioux Nation** (2.38), **Saxon Warrior** (2.30), and **Havana Grey** (2.17). Justify (11) is the leader by number of A Runners, ahead of Good Magic (9) and Bolt D'Oro (9). Sioux Nation and Havana Grey have 8 A Runners each; Girvin and Saxon Warrior each have 7; Army Mule has 6. Bolt D'Oro (27) is the leader by ABC Runners, followed by Havana Grey (25), Justify (24),

Army Mule (22), and Good Magic (19). Oscar Performance (2.31) is the leading F2020 sire by ABC Runner Index, ahead of Army Mule (2.08) and City Of Light (2.06).

*Into Mischief, leading sire of 2023 ABC Runners  
photo courtesy Spendthrift*

Another interesting angle is to look at which sires are the hottest right now, in terms of their number of A Runners and ABC Runners just in 2023. Into Mischief (22) edges Frankel (21) by number of 2023 A Runners, ahead of Uncle Mo and Kingman, with 16 each; Kingman, from his fifth crop (the first sired after he had runners), has 12 3yo A Runners this year, second only to Into Mischief, with 13. Frankel has 10. Gun Runner has 13 A Runners (all ages) this year, Galileo and Dubawi 12 each, Curlin 11, Lope De Vega 10; **Munnings**, American Pharoah, Tapit, Wootton Bassett, Sea The Stars and **Candy Ride** nine each. By number of 2023 ABC Runners, Into Mischief (66) is way out on his own, ahead of Frankel (47), Lope De Vega (43), Uncle Mo (42), Kingman (36), **Dark Angel** (35), Gun Runner (33), Dubawi (31), Galileo (30), and Munnings (28). It's amazing really how close Galileo and Dubawi's numbers are: they each have 12 A Runners this year; Dubawi has 12-6-13 (31) A-B-C Runners, Galileo is 12-6-12 (30); and they each have 362 ABC Runners since the beginning of 2017, tied for second behind Into Mischief. Though they're still 1-2 by A Runner Index, these figures suggest though they are both still major forces they're perhaps not as dominant now as in the past – when, by the way, they and Deep Impact were the three best sires in the world and by some margin. Into Mischief in America and Frankel in Europe look like the top two right now.

## SECTION 3: BILL'S TWEETS

**Bill Oppenheim** @billoppenheim · 3h

Blue Point extends his lead among European freshman sires as Rosallion becomes his 3rd SW in the 7f Pat Eddery at Ascot. He now has 21 winners including other SW Big Evs in the Windsor Castle and Action Point in the Rose Bowl @DarleyEurope. He's certainly doing what's on the tin!

**Bill Oppenheim** @billoppenheim · 19h

Agree!

**Nancy Sexton** @nancygsexton · Jul 28

Replying to @jackcantillon and @RathbarryStud

I'm a big fan of Acclamation but surely some credit here needs to go to Machiavellian. Damsire of both Mehmas and Dark Angel, he pops up a lot (Lope De Vega, Zoffany etc). He's such an influential presence and to me no coincidence both Mehmas and Dark Angel on the same cross

**Bill Oppenheim** @billoppenheim · Jul 26

Australia: @yarramanpark I Am Invincible has his 2nd straight sire title wrapped up but the contest for Leading Broodmare Sire is going down to the final days between 3x leader Redoute's Choice & 4x leader Encosta De Lago @ArrowfieldStud @CoolmoreAus. Redoute's + \$87k both ~\$32m.

**Bill Oppenheim** @billoppenheim · Jul 17

Awesome call, Jude. You give that current pair the horse, they'll look like the top two pairs. Proper horsemen.

**Jude Feld** @racehorsereport · Jul 17

Replying to @TVG

In my lifetime:

Bill Shoemaker & Charlie Whittingham

International:

Frankie Dettori & John H. M. Gosden

Currently:

@VincentCheminaud & @IgnacioCorreas

**Bill Oppenheim** @billoppenheim · Jul 17

It's all so misguided. In its logical extension people won't be allowed to keep pets because we can't ask dogs if they're happy. Animal species are actually under threat because of (misguided) humans. Talk about upsetting the ecosystem.

**Ellis Starr** @Ubercapper · Jul 16

I'll say this 1,000 or more times if I have to, but the closing of Golden Gate must be laid squarely on the city (Berkeley) government, who made it impossible for racing to continue.

A **proposed Berkeley City Council ordinance** has been introduced that, if passed into law, would put Golden Gate Fields' future in serious jeopardy.

**Bill Oppenheim** @billoppenheim · Jul 16

Justify- two 2yo G2 winners in 2 days. Who does he think he is - No Nay Never? @coolmorestud

**Bill Oppenheim** @billoppenheim · Jul 12

This week's sales (2): @FasigTiptonCo Racing Age sale Monday a big success- 84% sold/ring, gross +29% to almost \$14m, avg +17% to \$98k. Not as rosy at July yearling sale as 23% more catalogued but gross -6%, avg -14% at \$99k though 2021 avg \$103k with similar # catalogued.

**Bill Oppenheim** @billoppenheim · Jul 8

Turning into a big day for @coolmorestud Justify who also had narrow G3 Indiana Derby winner Verifying but also for @spendthriftfarm Cross Traffic with a G3 double from 3yo fillies (1st crop since 1st runners) Maple Leaf Mel (now undefeated in 5) & previous G1W Defining Purpose.

**Bill Oppenheim** @billoppenheim · Jul 8

2nd 1st-crop G1 winner for @coolmorestud Justify as Aspen Grove wins the G1 Belmont Oaks; he has a colt win a G1 7f dirt and a filly 10f turf & ties him with @HillnDaleFarm Good Magic among NA F2020 sires. Well done to Fozzy Stack, @oismurphy (riding great) & @craigb1818.

**Bill Oppenheim** @biloppenheim · Jul 2

Go to the head of the class: [@spendthriftfarm](#) Vino Rosso becomes the first Freshman Sire to have a SW as The Wine Steward exits NY-bred company to take the Bashford Manor at Ellis Park. Barn-mate Mitole still leads by progeny earnings with 2nd in the Debutante. Spendthrift 1-2.

**Bill Oppenheim** @biloppenheim · Jul 2

Big day for [@Lanwades](#) Sea The Moon today in Hamburg with Fantastic Moon winning the G1 German Derby plus 3yo filly Muskoka winning a 1m G3. Arguably the best mid-range sire value in England at £25,000.

**Bill Oppenheim** @biloppenheim · Jul 2

A 1-2 for [@coolmorestud](#) [@Haras\\_d\\_Etreham](#) Wootton Bassett from his final French crop in the G2 Railway S. to open today's Curragh card. What's he going to do when his Coolmore crop arrives? He's the real deal all right.
