IN THIS ISSUE - Midyear Northern Hemisphere APEX Ratings

- Two of the best younger North American sires, F2020 Justify and F2019 Gun Runner, now rate among the top five NA-EU sires by APEX A Runner Index: 1 Galileo (5.93, seven-time top APEX sire), 2 Dubawi (5.07), 3 Justify (4.93), 4 Frankel (4.52), 5 Gun Runner (4.22). Two more F2019 sires, Zarak (4.17) and Arrogate (4.08), rank #6-#7.
- Into Mischief and Curlin also rank among the top five of 371 NA-EU sires with 200+ year-starters 2018-July 7, 2024 by number of A Runners, number of ABC Runners (top 8% earners), and ABC Runner Index. Into Mischief has 507 ABC Runners in the past 6 1/2 seasons, with Dubawi (346), Frankel (325), and Galileo (312) ranking 2-3-4, at a very respectful distance.
- Justify is the top F2020 sire with 1st 4yo's 2024 with a 4.93 A Runner Index and 40 A Runners. Oscar Performance (3.50) is second by A Index, ahead of a strong group including Good Magic (2.77), Girvin (2.40), City of Light (2.34), and Europeans Havana Grey (2.20) and Saxon Warrior (1.99) also ranking among the Top 50 sires. Good Magic (18), Havana Grey (16), and Oscar Performance (15) are 2-3-4 by number of A Runners, again at a very respectful distance.
- With their 1st 3yo's only halfway through their 3yo year, Lanwades Stud's Study of Man (5.65) is putting up spectacular numbers including two G2 winners. Among F2021 NA-EU sires with 100+ year-starters Omaha Beach (2.70) and Audible (2.32) in North America and Too Darn Hot (2.45) in Europe also have A Runner Indexes over 2.00. Blue Point is tied for the lead by A Runners (8) and is the leader by ABC Runners (25).
- Sire averages for the Fasig-Tipton July Yearling Sale, where Maclean's Music (5/\$237,000) was the leading older sire on average and Yaupon (11/\$162,909) the leading 1st-year sire with 3+ sold.
- Preview tables for Saratoga, the NY-Bred Sale, and Arqana's 3-day August Sale at Deauville. Gun Runner (20) and Into Mischief (18) have the highest number catalogued at Saratoga; Wootton Bassett (30) and Siyouni (22) have the highest representation at Deauville.
- Worldwide Sales Tickers for Fasig July Yearlings, the Fasig HORA Sale, Tattersalls July Sale, and the Japanese Yearling and Foal sales. The gross was down 16% at the Fasig Yearling sale and 18% at Tattersalls and down by over half at the Fasig HORA sale though that was ascribed to a shift to the digital market. The Japanese sales again set new records.
- Bill's Tweets. Always some interesting comments in there.

SECTION 1: APEX MID-YEAR 2024

JUSTIFY, GUN RUNNER LEAD YOUNG SIRES' CHARGE INTO APEX TOP TEN

The signature APEX A Runner Index measures the frequency with which stallions sire runners who rank among the top 2% of earners in seven racing jurisdictions across three Northern Hemisphere racing regions. Separating out Japan (109 sires with APEX ratings, see p. 13) as they are really a stand-alone jurisdiction compared with the other two Northern Hemisphere regions, there are 557 North American and European sires who qualified for APEX ratings covering the 6 ½ racing seasons from the beginning of 2018 through July 7, 2024. Of these, 371 had 200+ year-starters (one horse is counted as one year-starter each year it starts and these are designated as 'runners' in the accompanying tables); 72 NA/EU sires had their first foals in 2020 and have their first 4yo's racing this year. This is in line with previous NA/EU sire groups; there are 68 F2018 sires rated, and 72 F2019 sires, but strikingly there are only 44 F2021 sires with their first 3yo's.

*Galileo, leading sire by A Runner Index (again!)
Photo courtesy Coolmore*

Galileo, seven-time leading APEX sire by A Runner Index, still leads the pack with a 5.93 A Runner Index, meaning (since 2.00% equals an index of 1.00) 11.86% of his runners have qualified as A Runners since 2018. He is also the leading sire by number of 2018-2024 A Runners, with 175. His last good-sized crop (90+) are 3yo's this year, though he does have a handful of 2yo's. Perennial top-three sire **Dubawi** (5.07) is also #2 by ABC Index (2.69), #3 by number of A Runners (163), and #2 by number of ABC Runners (344), which means he's still the leading living sire by the APEX metrics. The third member of the European triumvirate which has dominated these figures the last few years is of course **Frankel**. He ranks #4 by A Runner Index (4.52), #4 by ABC Index (2.62), #4 by number of A Runners (140), and #3 by number of ABC Runners (325). So Galileo, Dubawi, and Frankel are three of the top four in all four categories.

Looking at the metrics for all four categories listed, the veteran North American sires **Into Mischief** and **Curlin** figure among the top five by number of A and ABC Runners. Five-time (and counting) Leading Sire Into Mischief is up to #2 by number of A Runners (165) and has an astonishing 507 ABC Runners, over 160 more than #2 Dubawi. That is 18.2% of an equally astonishing 2,792 year-starters, which is more than 800 more year-starters than **Lope de Vega** (1990) and **Uncle Mo** (1905), who come next by number of year-starters. Curlin, for his part, ranks #5 in three different categories: ABC Runner Index (2.27, same as Into Mischief); number of A Runners (116); and number of ABC Runners (303). Uncle Mo by the way is #6 in both the numbers categories with 102 A Runners and 287 year-starters. Their respective A Runner indexes are Curlin 3.47 (#9), Into Mischief 2.95 (#19), Uncle Mo 2.68 (#27).

*Gun Runner, leading sire by ABC Runner Index
Photo courtesy Three Chimneys*

So far we're in familiar territory but as we all know the times they are a'changing, especially with a resurgence in the North American sire ranks. F2019 **Gun Runner** is now the leading sire by ABC Runner Index (top 8% of earners), with a 2.72 reading, 21.76% of his year-starters and ahead of Dubawi, Galileo, and Frankel in that order, all over 2.60 (20.8% of year-starters). Gun Runner is also #5 by A Runner Index (4.22). **Zarak** (4.17), who's had two shares sell for more than €700,000 in recent Arqana pop-up sales and the much-lamented **Arrogate** (4.08), both also F2019 sires (Arrogate's last of three crops are now 3yo's), rank #6 and #7 by A Runner Index.

Two F2020 sires with just their first 4yo's racing this year crack the top ten by A Runner Index. **Justify** (4.93) ranks #3 by A Runner Index, knocking Frankel back to #4; 4.93 equals 9.86% A

Runners/year-starters). Justify is racking up some pretty impressive metrics; through July 14 his North American crops include, according to TDN figures: 27 Black-Type winners, 46 black-type horses (18.2% of his 253 actual runners), 14 GSW, 30 GSH (11.9% of actual runners), 6 G1 winners, and 10 G1 horses. This year alone he has 31 black-type horses.

Justify, leading young APEX sire. Photo courtesy Coolmore

The other top-ten F2020 sire is in fact **Oscar Performance**, whose 3.50 A Runner Index ranks #8. Oscar Performance was the best American-raced son of Kitten's Joy: he was a G1 winner at two, three, and four, and ran a mile in 1:31:1, breaking the Belmont Park track record, in the G3 Poker as a 4yo. It's not a huge surprise that he's become a really good stallion, which is great for Mill Ridge Farm, who of course stood Diesis and Gone West in what people now refer to as "back in the day".

Five other F2020 sires rank among the top 50 by A Runner Index and it's an indication of the resurgence of the younger Kentucky sire ranks that, of the seven F2020 sires who rank among the Top 50, the top five of them are American. **Good Magic** (2.77), of course, sire of the Classic-winning brothers Mage and Dornoch in his first two crops; the Florida import **Girvin** (2.40); and **City of Light** (2.34), sire of 2023 Champion 2yo Colt Fierceness but who might be otherwise be a little underrated as far as siring runners who are making their owners money.

The two European F2020 sires among the top 50 are **Havana Grey** (2.20) and **Saxon Warrior** (1.99) although **Sioux Nation** (1.92) is not far outside the top 50. Other F2020 North American sires showing good form include Airdrie's sneaky-good **Collected** (1.89 A Runner Index), Calumet's smaller-crop **Ransom The Moon** (1.88), 2022 Leading Freshman Sire **Bolt d'Oro** (1.84), and Coolmore/Ashford's really-good-for-\$5,000 **Mo Town** (1.77). Justify (40) is miles ahead by number of A Runners (Good Magic 18, Havana Grey 16 are next) but is not so far ahead by number of ABC Runners, with 69; Havana Grey has 55, Bolt d'Oro 53.

F2021 SIREs

This group of sires are rated for the first time and just have 3yo's halfway through their first 3yo year, so an awful lot can change very quickly with this group of sires. They come with an additional health warning which is that mid-year calculations are done on mid-year earnings. For example the threshold for A Runner earnings in North America in 2024 through July 7 was \$119,977 (see p. 4) whereas for the entire year 2023 the threshold was \$184,309. A horse could theoretically have earned \$120,000 this year which would count him now as an A Runner but if it (or should I say 'they') ends the year at \$120,000 it might ultimately be counted as only a B Runner or even a C Runner. So only A Runners who have already earned more than last year's thresholds can be considered 'safe' to count as A Runners by the end of the year.

*Blue Point, leading F2021 sire by number of A/ABC runners
Photo courtesy Darley*

Most sires with just their first 3yo's will not have had 200+ year-starters by July 7 in any case so wouldn't be considered for the overall leading sire lists; in fact of this group only **Blue Point** (254) has more than 200 year-starters. He is tied for the lead by number of A Runners (8) and is the leader by number of ABC Runners (25) but his index figures are not all that high at this stage, though he is the clear European leader by cumulative progeny earnings and has two G1 winners in Rosallion and Big Evs. Blue Point and **Too Darn Hot**, both Darley sires, are rightly considered to be the top two F2021 sires on either side of the Atlantic but at this admittedly early stage there are a few others with notable numbers. In North America, of the sires with 100+ year-starters, Spendthrift's **Omaha Beach** (2.70) and WinStar's **Audible** (2.32) both have A Runner Indexes of 2.00+ (Too Darn Hot 2.45, Blue Point 1.57). Omaha Beach is tied with Too Darn Hot and Blue Point with 8 A Runners each and is #2 to Blue Point (25), with 22 ABC

Runners; Too Darn Hot is #3 with 21. Audible has 7 A Runners and 17 ABC Runners. Two small-crop NA F2021 sires show up very well on the indexes: Airdrie's **Divisidero**, a son of Kitten's Joy who is surely the only horse ever to win on Kentucky Derby day three years in a row, from only 23 year-starters has a 4.35 A Runner and a 2.72 ABC Runner Index; and Darby Dan's **Copper Bullet**, winner of the G2 Saratoga Special as a 2yo, is doing very well also with a 2.38 A Runner and 2.07 ABC Runner Index.

*Study of Man, leading F2021 sire
Photo courtesy Landwades*

But the biggest story among F2021 NA-EU sires is undoubtedly England's Lanwades Stud's **Study of Man**, who won the 2018 G1 (2100m) French Derby for the Niarchos Family but didn't win any of his seven subsequent races. But a little bit like Zarak, who is out of the unbeaten Arc winner Zarkava, Study of Man has a blockbuster pedigree, being by Deep Impact out of a Storm Cat daughter of Miesque who was therefore a half-sister to Kingmambo. Miss Rausing's Lanwades Stud has 'previous' with the Niarchos family, having stood Hernando, so when she came a-calling the Niarchos team was listening, and boy was she right. Study of Man has sired seven A Runners from just 62 year-starters for a whopping 5.65 A Runner Index of which two are already G2 winners (Deepone in the G2 Beresford S. last year as a 2yo and Birthe in the G2 Prix Saint-Alary this year) and he has no fewer than 10 runners who either have an Official Rating or have run an RPR (Racing Post Rating) of 95+. Tellingly, six of the ten were bred by Miss Rausing, who still owns or co-owns four of the ten – and it's even reported she bred her Arc winner, Alpinista, to Study of Man this year, if any further confirmation of her confidence was needed. He has made an eye-wateringly impressive start.

Besides his sparkling pedigree, another contributing factor to Study of Man's success so far may be that he won the G1 Prix du Jockey-Club,

a/k/a French Derby. There has recently been a lot of controversy about the G1 Irish Derby, which didn't even rate in the top 150 races in the world in 2023. The respected Irish bloodstock agent Patrick Cooper (we know, there's a school of thought that the term 'respected bloodstock agent' is an oxymoron, but we do not subscribe to that view) has been campaigning for the last two years to shorten the Irish Derby to 10 furlongs; so far, aligned against him are the Curragh and, evidently, John Magnier, who pointed out on ITV television after the Eclipse S. that the great races at the Classic distances are what everybody wants to win.

From the point of view of 'stallion-making' races, though, the evidence is pretty strongly in Patrick's favor. In the 14 years 2005-2018 since the French Derby was shortened, seven winners have gone on to be at least top 20% sires: Shamardal and his son Lope de Vega (whose son Look de Vega won the race this year), Le Havre, Intello, The Grey Gatsby, New Bay, and now Study of Man; and the five winners since who have gone to stud – Sottsass, Mishriff, St. Mark's Basilica, Vadeni, and Ace Impact – stood at stud this year for an average of €30,000. In contrast, the Irish Derby has produced two flat stallions, Camelot and Australia (both of whom had previously won the G1 Epsom Derby), and nine stallions who are now (or were) jumps sires – Dylan Thomas, Soldier of Fortune, Fame And Glory, Jack Hobbs, Harzand, Capri, Latrobe, and, after 2018, Santiago and Hurricane Lane. In the States our research revealed that the G1 Florida Derby is the only really true sire-producing race, and the 2100m French Derby has as good a record of producing sires as the Florida Derby does in the US.

SECTION 3: FASIG-TIPTON SARATOGA/NY-BRED & DEAUVILLE SALE PREVIEW

GUN RUNNER, INTO MISCHIEF TOP SARATOGA CATALOGUE

Wootton Bassett, Siyouni Most Numerous at Arqana August

Fasig-Tipton's July 9 season-opening yearling sale had 23% fewer catalogued for a 16% lower gross but a 14% gain in average (to \$112,461) compared to 2023, although the number catalogued and average were much closer to the 2022 sale except that the clearance rate from the catalogue was almost 9% lower (53.8% this year, 62.6% in 2022). Here we preview three August sales when the rubber meets the road: The Saratoga Sale, the following NY-Bred Sale, and Arqana's August Sale at Deauville (not including the following V2 Sale). Last year there were 235 catalogued, 154 sold (65.5%) at Saratoga and 314 catalogued, 245 sold (an impressive 78.0%) at Deauville; this year there are 240 catalogued for Saratoga, 325 at Deauville.

The leading sires by number catalogued at Saratoga are Gun Runner (20) and Into Mischief (18). Not This Time has 14 catalogued, Curlin and Uncle Mo 12 each. The three top American first-year sires by stud fee are Darley's Essential Quality (5 at Saratoga) and Maxfield (3), and Hill 'n' Dale's Charlatan, who is the top first-year sire at Saratoga, with 10 catalogued. Constitution, Good Magic, Quality Road, and Twirling Candy have nine each; Justify has eight, Munnings and top first-year Fasig July sire Yaupon have seven each.

At Deauville, former French sire Wootton Bassett, who has his first Coolmore 2yo's this year (seven winners including G2 Railway S. winner Henri Matisse, #5 on the European 2yo Sire List), has the highest number of yearlings catalogued, with 30. Perennial leading French-based sire Siyouni has 22, followed by two sires who have come up from the ranks, Galiway and Zarak, with 17 each. Irish sires Camelot (13), first-year sire St. Mark's Basilica (12), Mehmas (11), and No Nay Never (10) all have double-figure representation, along with French 1st-crop sire Victor Ludorum (11) and freshman sire Persian King (10). Another Etreham freshman sire, Hello Youmzain, has nine catalogued, while there are eight each by Frankel, New Bay, Sea The Stars, and the primarily French-raced but Irish-based Freshman sire, Sottsass. Saratoga averaged \$487,370 last year, Deauville €232,445. Fasig's NY-Bred Sale averaged \$95,132 last year, but like Fasig July the catalogue has been trimmed this year to more like 2022 levels when the sale averaged \$107,314. Yaupon (11) and freshman sire McKinzie (10) have the highest representation at the NY-Bred Sale.

SECTION 5: BILL'S TWEETS

Bill Oppenheim @billoppenheim · Jul 13

Gleneagles @coolmorestud : 2 G1W, 8 G2W thru end 2023. He's now had 2 more G1W, 4c Mill Stream today in 6f July Cup & his 2024 3yo's (5th crop) include G1W Palladium (German Derby), runaway 12f G2 King Edward VII winner Calandagan & 2x Derby-placed Ambiente Friendly. Underrated.

Bill Oppenheim @billoppenheim · Jul 11

1st-year sires with 3+ sold @FasigTiptonCo July led as predicted by @spendthriftfarm Yaupon (11 sold/avg \$162,909). @WinStarFarm Independence Hall 3/\$148,333, @TaylorMadeSales Tacitus did really well 7/\$100,143, they also had Knicks Go 4/\$85,000. @AirdrieStud Beau Liam 10/\$70,400

Bill Oppenheim @billoppenheim · Jul 11

With a 23% smaller catalogue @FasigTiptonCo July Yearling Sale looked good with gross down just 16% & average +14% to \$112,461 compared to 2023. But fairer comparison maybe 2022 as 2024 catalogue just 5% smaller, average just 2% lower (\$115,151) but clearance rate 53.8% vs 62.6%

Bill Oppenheim @billoppenheim · Jul 8

Four of the 5 top 1st-year sires have runners in Thursday's Schuylerville: top fancies Complexion (@AirdrieStud Complexity) & Viggiedal (@spendthriftfarm Vekoma) & ignore-at-your-peril fillies by their sire Thousand Words and @CrestwoodKY Caracaro. As usual it's a very classy nw2

Bill Oppenheim @billoppenheim · Jul 7

When a good 1m handicap goes in 1:47 and an older filly stakes in nearly 1:46 you know the ground is proper soft. @coolmorestud City of Troy's win in 2:09.8 was a seriously good effort on that ground. Let's see what he does at 10f on fast ground on the way to the @BreedersCup.

Bill Oppenheim @billoppenheim · Jun 9

It was a 4yo 12f double in successive races yesterday from his only crop for @Qatar_Racing Roaring Lion, 4xG1W by Kitten's Joy. Now they are pinning their hopes on 2000 Guineas winner Kameko, also bot well by @dredvers by same sire, has 3 2yo winners so far from 1st crop.

David Redvers ✓ @dredvers · Jun 8

One of those healing days. This gives such huge pleasure to all the @Qatar_Racing team. Superbly handled. 🍌🍌🍌 x.com/itvracing/stat...
